

HealthSouth Lakeshore Home Evaluation Program

SERVING THE COMMUNITY WITH MORE THAN 30 YEARS OF REHABILITATION EXCELLENCE

HealthSouth Lakeshore Home Evaluation Program provides an evaluation by a registered nurse. Each evaluation consists of:

- Current level of function
- Therapeutic needs
- Rehab potential
- Insurance status
- Review of current medical status

Admission Criteria

Patients are accepted on the basis of a referral. For admission, it should be demonstrated that the patient:

- Is medically stable and has reasonable expectation for improvement
- Has made improvements in function
- Is unable to function independently in a safe manner
- Has demonstrated impairment in mobility, activities of daily living, speech and/or cognition
- Has had a decline in function

Who can make referrals?

- Families
- Home healthcare agencies
- Physicians
- Physical therapy agencies

Evaluation and Treatment

Upon admission, patients are evaluated by our professional staff, and an appropriate treatment plan is established. Rehabilitation professionals offer a multidisciplinary

approach to the establishment of the patient's individual recovery goals. The rehabilitation team consists of:

- Case manager
- Certified music therapist
- Occupational therapist
- Pharmacist
- Physician
- Physical therapist
- Psychologist
- Registered dietician
- Rehabilitation nurse (ACLS certified)
- Speech language pathologist

Programs
